### **Presumptive Pregnancy and Presumptive Breast and Cervical Cancer Applications**

**Q: Do I have to submit a presumptive application to submit a full-coverage application?**

A: No, you can submit a full-coverage application through the **Apply for Full Coverage** feature from the **Welcome to TennCare Access** page, even if no one in the household needs presumptive pregnancy or presumptive breast and cervical cancer coverage.

Before starting an application, remember to use TN Online Services to see if the applicant has coverage now. To view how to submit a full-coverage application in TennCare Access, please see the application videos on the [TennCare Access Portal Training Documents](#) webpage. Applicants can also apply online by creating a TennCare Connect account at [www.tennconnect.tn.gov](http://www.tennconnect.tn.gov).

**Q: Can I still use TennCare Access to submit a presumptive application?**

A: Yes, you can still submit a presumptive application using the **Presumptive Pregnancy Application** or **Presumptive Breast and Cervical Cancer (BCC) Application** features from the **Welcome to TennCare Access** page. If an individual applying for presumptive coverage would like to submit a full-coverage application, select **Yes** to the **Is <Person> applying for ongoing coverage?** question on the **People in Your Home – Demographics** page.

Before starting an application for Presumptive Eligibility (PE), remember to use TN Online Services to see if the applicant has coverage now or has a recent PE approval.

**Q: If an individual requests to add me as an Assisting Person, what Assisting Person type should I select?**

A: If the individual chooses to add you as an Assisting Person, you're asked to enter your information. Click the blue **Assisting Person Types** hyperlink to learn more about the types of assisting persons. When selecting your relationship to the individual, select the most appropriate Assisting Person Type relationship. Select

*Other* when your relationship with the individual doesn't fall into another Assisting Person category and you are helping them submit information to TennCare.

If you select the *Authorized Representative* relationship, responsibility options appear. Selecting the *Receive copies of your letters and other communications from us* box results in notices for **ALL** household members on the individual's case, including prescription and health insurance cards, being sent to your address.

## Apply for Full Coverage

**Q: Can I pause an application and come back to it later to finish submitting the application I had previously started?**

A: Yes, you can use the **Save & Exit** button to save the application. To return to an in-progress application, you can use the **Search My Submissions** feature to find the in-progress application and continue where you stopped the application.

## Search My Submissions

**Q: Can I search for a previously submitted application using TennCare Access?**

A: Yes, the **Search My Submissions** feature from the **Welcome to TennCare Access** page allows you to search for presumptive or full-coverage applications you have started or submitted through the TennCare Access portal.

**Q: How do I upload a document for an individual's application or case?**

A: You can upload documents for new applicants applying for full coverage right after you submit their application using the **Upload Documents** button at the end of the application. Documents can also be uploaded on the **Search My Submissions** page through the **Upload** link in the **Search Results** table if TennCare has not started reviewing the application. If TennCare has started reviewing the application, the **Upload** link is not available, and you are not able to upload documents.

### **Q: What if the Upload link is not available on the Search My Submissions page?**

A: This means TennCare has already started its review of the submitted application, and the applicant must wait until TennCare sends them a request for additional information. In the meantime, you can send us a document via fax or mail.

You can also help applicants respond to outstanding additional information requests by assisting them in creating a TennCare Connect account at [www.tennconnect.tn.gov](http://www.tennconnect.tn.gov). If TennCare has sent a request for additional information, applicants can log into their TennCare Connect account and click **My Documents** from the **Left Navigation Menu** to upload their information.
